RESOLUTION TO DESIGNATE, AUTHORIZE AND APPROVE THE CLERMONT COUNTY TRANSPORTATION IMPROVEMENT DISTRICT TO BID AND AWARD THE CONTRACT FOR CLOUGH PIKE PROJECT CONSTRUCTION SERVICES

WHEREAS, the County created the Clermont County Transportation Improvement District (the "CCTID"), which is authorized, by Ohio Revised Code ("ORC") Chapter 5540, to finance, construct, maintain, repair, and operate street, highway, and other transportation projects; and to construct, reconstruct, improve, alter, and repair roads, highways, public places, buildings, and other infrastructure and are essential governmental functions; and the exercise by the CCTID of the authority granted by ORC Chapter 5540 is necessary for the prosperity, health, safety, and welfare of the County, the State and their people;

WHEREAS, the CCTID has established a Regional Transportation Improvement Program (the "RTIP" and attached hereto as "Exhibit 1"), in coordination and collaboration with the County, the Clermont County Engineer's Office ("CCEO"), and other local project sponsors, which has been amended and updated from time to time, consisting of certain corridor-level capital improvement projects and supporting program-level implementation strategies and activities, which includes the designated roadway and access management improvements for the Clough Pike Widening Project (OPWC Grant CJ12P/PID 84731) and further referenced herein as the "Project," as further described and identified on the project plans and related project documents on file with the County, the CCTID, the CCEO, OPWC and ODOT;

WHEREAS, the CCTID obtained federal funding for the Project, provided through the Ohio Department of Transportation ("ODOT") in the amount of \$ 4,966,400.00 (the "Federal Funding"), and accordingly the CCTID was designated, under related ODOT legislation and agreement, as the Local Public Agency ("LPA") for this Federal Local-Let Project, per "Exhibit 2" attached;

WHEREAS, the County was able to obtain, through a grant application made to the Ohio Public Works Commission ("OPWC"), the local match required, in the amount of \$1,241,800.00 for the Federal Funding pursuant to the related July 2012 OPWC grant agreement (OPWC Grant CJ12P), on file with the County, where under Edwin H. Humphrey was designated Chief Executive Officer (the "Project CEO"), with Patrick J. Manger, P.E./P.S., Project Manager (the "Project Manager");

WHEREAS, the County, the CCEO and CCTID recognizes that it is a priority to engage and cooperate to the greatest extent practical in the development of these RTIP projects, and as further set forth by their November 2006 Intergovernmental Agreement, on file with the County and CCTID, and in related efforts in coordination and cooperation with ODOT and OPWC;

WHEREAS, the Board of County Commissioners, the Project CEO, and the Project Manager, with the concurrence of OPWC and ODOT, believe it to be in the best interest of and important for advancing the construction of the Project to authorize and designate the CCTID, by and through the Project Manager, to: prepare a notice and bid proposal and advertise for bids for the construction of the Project; bid and award a contract for construction; and, administer the construction contract, by and through the Project Manager, through completion and inspection of the work, in accordance with all applicable laws and regulations.

NOW, THEREFORE, BE IT RESOLVED, that the Board of County Commissioners, including the Project CEO, does hereby ratify and approve the RTIP, as amended and attached hereto as Exhibit 1 and delegates to and authorizes the CCTID, by and through the Project Manager, to proceed and take the appropriate and necessary steps to prepare and provide notice and a bid proposal for the Project; to advertise, bid and award a contract for construction services required for the Project, as determined by the Project Manager/CCTID; and, to administer said construction contract through completion and inspection of the Project work, all in accordance with all applicable laws and regulations, and as the LPA in coordination with ODOT and OPWC; and,
