ORDINANCE 1036-13

AN ORDINANCE STATING SERVICES TO BE PROVIDED TO ANNEXED TERRITORY,  
REQUIRING THE VILLAGE TO REQUIRE THE OWNER TO PROVIDE A BUFFER FOR  
INCOMPATIBLE ZONING USES, AND DECLARING AN EMERGENCY

WHEREAS, a Petition seeking the annexation of approximately 1.281 acres of land situate in Williamsburg Township to the Village of Williamsburg has been filed with the Clermont County Board of County Commissioners by T. David Burgess, attorney for Petitioners; and,

WHEREAS, Ohio Revised Code Section 709.023(C) requires that twenty days after the date the Petition is filed, that the legislative authority of the municipal corporation to which annexation is proposed shall adopt an ordinance or resolution stating what services the municipal corporation will provide, and an approximate date by which it will provide them, to the territory proposed for annexation, upon annexation; and,

WHEREAS, Ohio Revised Code Section 709.023(C) requires that within twenty days after the date that the Petition is filed, that the legislative authority of the municipal corporation to which annexation is proposed shall adopt an ordinance or resolution stating that if the annexed territory becomes subject to the Village of Williamsburg zoning and the Village zoning permits uses in the annexed territory that the Village determines are clearly incompatible with the uses permitted under current Clermont County or Williamsburg Township zoning regulations in the adjacent land remaining within the Township, that Village will require, in the zoning ordinance permitting the incompatible uses, the owner of the annexed territory to provide a buffer separating the use of the annexed territory and the adjacent land remaining within the Township:

NOW, THEREFORE, BE IT ORDAINED By The Council of the Village of Williamsburg, Ohio:

SECTION 1.

The Council of the Village of Williamsburg states that immediately upon annexation the following services will be provided to the territory to be annexed:

1. Police Protection;
2. Street Maintenance;
3. Snow Removal;
4. Zoning and Zoning Administration;
5. Tax Administration; and,
6. Water and Sewer Services when and as requested by property owner.

The Village may, in its sole discretion, provide additional services to the territory, upon annexation, in addition to those set forth above.

SECTION 2.

The annexation will not result in a street or highway being divided or segmented by the boundary line between the Township and the Village so as to create a road maintenance problem but, in the event that the annexation does result in a street or highway being divided or segmented by the boundary line between the Township and the Village so as to create a road maintenance problem, the Village hereby agrees to assume the maintenance of that street or highway or to otherwise correct the problem.

SECTION 3.

The Council hereby states that if the annexed territory becomes subject to the Village of Williamsburg zoning and the Village zoning permits uses in the annexed territory that the Village determines are clearly incompatible with the uses permitted under current Clermont County or Williamsburg Township zoning regulations in the adjacent land remaining within the Township, that the Village will require, in the zoning ordinance permitting the incompatible uses, the owner of the annexed territory to provide a buffer separating the use of the annexed territory and the adjacent land remaining within the Township.

SECTION 4.

This Ordinance is hereby declared to be an emergency Ordinance which is necessary for the immediate preservation of the public peace, health, welfare, and safety of the Village of Williamsburg, and for the reason that time is of the essence because this Ordinance must be adopted by the Village and filed with the Board of County Commissioners with twenty days of the filing of the Petition with the Board and it is therefore necessary that this Ordinance be passed and adopted at once so that it may become effective immediately.
