WHEREAS, Ohio Revised Code Sections 6117.02 and 6103.02 provides that when any rents or charges for utility services are not paid when due and the unpaid rents or charges have arisen pursuant to a service contract made directly with an owner who occupies the property served by the connection, the Board of County Commissioners may certify the amount together with any penalties to the County Auditor who shall place them upon the real property tax list and duplicate against the property served by such connection; and
