WHEREAS, the statutes of the State of Ohio provides and set forth the manner and method of collection of delinquent accounts for charges assessed for utility services; and

WHEREAS, Ohio Revised Code Sections 6117.02 and 6103.02 provides that when any rents or charges for utility services are not paid when due and the unpaid rents or charges have arisen pursuant to a service contract made directly with an owner who occupies the property served by the connection, the Board of County Commissioners may certify the amount together with any penalties to the County Auditor who shall place them upon the real property tax list and duplicate against the property served by such connection; and

WHEREAS, the Rules and Regulations of the Clermont County Water Resources, Clermont County, Ohio, as amended, provide that the gross balance amount for utility services owing after the certification date and which has arisen pursuant to a service contract made directly with an owner who occupies the property served by the connection shall be certified to the County Auditor for placement on the real property tax list and duplicate against the property served by the connection and that the certified amount shall constitute a lien on the property from the date placed on the tax list and duplicate; and

WHEREAS, Ohio Revised Code Sections 6117.02 and 6103.02 provides that when any rents or charges for utility services are not paid when due and the unpaid rents or charges have arisen pursuant to a service contract made directly with an owner who occupies the property served by the connection, the Board of County Commissioners may certify the amount together with any penalties to the County Auditor who shall place them upon the real property tax list and duplicate against the property served by such connection; and
