The next order of business is to establish the dates and times that the Board of County Commissioners will meet in 2023. As you know, the Board must have 50 Regular Sessions during Calendar Year 2023.

In the past, this Board has used the first six months of the Calendar Year to meet on the second and fourth Mondays at 10:00 a.m. for Regular Session, as well as every Wednesday beginning on January 11, 2023, except for the week of Christmas.

If the Board agrees with that, I would ask for a motion to establish those dates and times for your Regular Sessions for this year. If the Board would like to make other arrangements, please feel free to offer any discussion.

The only other business that can be conducted during the Reorganizational Meeting is comments and reflections relating to the Calendar Year 2022 and any thoughts you may have for 2023.

After Commissioner comments, with no other business to come before the Board, this Reorganization Meeting is adjourned.
